

# LYNN COVE

— FOUNDRY & FORGE —

---

## **Warranty for Hardware**

Lynn Cove products are warranted for five years from date of purchase against defects in material and workmanship. If there are any defects in material or workmanship found during the warranty period Lynn Cove will replace or refund the products at the customer's discretion.

Powder coating is warranted against flaking and excessive fading for five years from date of purchase. If the powder coated finish of any items flakes or excessively fades during the warranty period Lynn Cove will send to the customer a new replacement product at no charge.

Lynn Cove specifically does not warrant removal of the product nor installation of replacement new product. This warranty does not apply when the item has been tampered with, misused, improperly installed, altered from the original form, not maintained as detailed below, or damaged through improper cleaning, abuse or accident.

Maintenance required for warranty coverage is an annual wash with tap water to remove foreign debris and salt accumulation. Areas within five hundred feet of the ocean front should be washed twice annually. If hardware is particularly dirty a light detergent such as dish soap can be used with a wet cloth, followed by a tap water rinse. Please avoid strong cleaning agents containing bleach or ammonia, and do not use brushes, abrasives or power washers.

In the unlikely event that a defective item is encountered please contact Customer Service at 800-975-7089, or notify Lynn Cove in writing with purchase date, photographs and a brief description.
